SITUATION

Peseux

With some 5800 inhabitants, the village and former commune of Peseux joined the commune of Neuchâtel on January 1, 2021, along with neighboring Corcelles-Cormondèche and Valangin. Its castle, large residential areas, rich community life and local shops make it an ideal place to live, well served by public transport to the east and west. And its forest is a great place for walks.

Between downtown Neuchâtel and the vineyards of Corcelles-Cormondèche, the village of Peseux is a real little urban center, with its commercial, rental and residential areas, its parks and schools, but also its old village which is well worth a visit, before climbing towards the tennis court and the superb, immense forest which borders the locality, reaching as far as the Val-de-Ruz. The name Peseux apparently derives from the word "puits" (well), as one of Peseux's constant concerns was to obtain water, and wells were plentiful in the area.

This apartment is located close to several public transport links:

- bus line 101 Neuchâtel-Cormondèche
- bus line 120 Neuchâtel-Colombier-Rochefort
